

March 21, 2022

We welcome you back to Anacortes Senior College!

At Anacortes Senior College the health and safety of our instructors and students is of utmost importance. Please read about COVID-19 guidance and protocols that we are following:

- We follow all CDC Guidelines and all Washington State, Skagit County, City of Anacortes and Anacortes School District Guidelines and Safety Protocols.
- The Anacortes School District will continue to take a cautious approach in removing mitigation measures, following state and local guidance.
- You will be asked to attest to your fully vaccinated status when you register for your class.
- You will notice that class sizes will be smaller as we ease back into the school facilities this Spring 2022 term.

When you arrive at Anacortes Middle School for your class:

- Masks are optional.
- Greeters will be present to welcome you and direct you to your classroom.
- Due to food service restrictions, cookies will not be available during class break this term.
- We request that you bring your own water bottle. Anacortes Middle School has bottle filling stations.
- Please leave the building directly after class.
- Please stay home if you are ill or have a fever, cough, shortness of breath or other COVID-19 related symptoms, or have had contact with an individual who has COVID-19 in the past 14 days.

We understand this is an evolving concern. You may cancel your registration at any time up to your first class with 100% refund. If your class is cancelled at any time due to COVID-19 you will be issued a prorated refund.
